### CAUSE OF LOSS:

Theft occurred while the insured was on vacation. Multiple valuables and electronics were stolen.

### SCOPE OF WORK:

The following is a brief outline of the work to be completed on the contents portion of this claim.

- 1. Inventory missing items.
- 2. Assess property damage.
- 3. Replace broken windows/locks.
- 4. Secure the property.

- 5. Coordinate with local authorities.

### **RECOMMENDED RESERVES FOR TRINITY'S INVOLVEMENT:**

The estimated cost for Trinity's involvement is as follows:

- Indemnity Work: Should not exceed \$21,280.00 plus HST

Our actual cost will be adjusted once the exact scope of approved work is known. The recommended estimate is only based on visual inspection for reserves setting purposes.

- Trinity Listing & Pricing Expense Reserve: Should not exceed \$5,959.00 plus HST

### **RECOMMENDED RESERVES FOR THE TOTAL CONTENTS LOSS:**

Based on a visual inspection of the extent of non-salvageable items on the main floor, we believe that the total replacement cost for the non-salvageable items should not exceed \$9,581.00 plus HST.

### **CONCLUSION:**

Once our scope of work is approved, we can attend and begin the pack out process.

Thank You,

**Mo Waez**
